PROFESSIONAL EXPERIENCE

Lead Product Designer • Target Oct 2024 – Present | Bengaluru, India

- Leading end-to-end digital product design for global high-traffic discretionary shopping categories, optimizing key surfaces for millions of guest journeys.
- Driving UX strategy, experience vision, and close cross-functional alignment with core product management and engineering leadership teams.
- Embedding automated AI workflows natively into the discovery process, dramatically compressing design-to-prototype cycles and accelerating handoff precision.

Lead Product Designer • Meesho Jul 2022 – Oct 2024 | Bengaluru, India

- Designed and launched the centralized Pricing Intelligence Tool, delivering real-time competitive visibility that lowered platform-wide pricing and enhanced consumer value.
- Spearheaded the 'Bharat ki Choice' Sourcing Tool, allowing modern sellers to seamlessly track top trends and optimize inventory for superior conversions.
- Recruited, managed, and structured processes for junior designers; built structured pod-level alignment frameworks across Pricing and Growth teams.

Senior Product Designer • Meesho Mar 2021 – Jun 2022 | Bengaluru, India

- Architected and scaled the Crystal Design System from scratch, serving as the single source of truth across all desktop, M-web, and mobile app components.
- Designed and introduced the 0-to-1 core Seller Mobile App, enabling friction-free listings, payments, and robust inventory control for first-time long-tail sellers.

Senior Product Designer • BlackBuck

Apr 2018 – Mar 2021 | Bengaluru, India

- Crafted the complete B2B Supplier App ecosystem enabling thousands of fleet owners to track orders, manage ledger books, and map complex fuel/payout workflows.
- Designed Auto-Recharge Plus (FASTag subscription mechanism), drastically mitigating blacklisting risks and securing a premier revenue channel at launch.

Senior Product Designer • PayU / Citrus Pay

Sep 2016 – Apr 2018 | Bengaluru, India

- Co-designed and introduced the core 0-to-1 LazyPay BNPL app experience spanning checkout loops, transactional ledgers, and rapid repayment flows.
- Re-engineered checkout systems, consumer digital wallets, UPI workflows, and business dashboards for streamlined SME merchant management.

Communication Designer • Ola

Sep 2014 – Sep 2016 | Bengaluru, India

Led complete digital and social creative production for lifecycle marketing campaigns. Conceptualized high-impact on-ground brand collateral for the national Driver Mela initiatives and high-profile institutional events.

3D Graphic Designer • Ayorma (Apogee Healthcare)

Sep 2013 – Sep 2014 | Mumbai, India

Designed daily digital marketing creatives, retail packaging assets, and 3D product renders for diverse skin care lines. Directed ATL and BTL visual collateral across extensive in-store and event branding campaigns.

3D & Motion Graphic Artist • Angel Film Studio

Nov 2012 – Aug 2013 | Mumbai, India

Visualized and produced cinematic title designs, motion graphics, and VFX sequences for regional movie feature projects. Successfully delivered production logos and animated sequence credits for prominent film rollouts.
